

# DR. JACOB EAPEN

WASHINGTON HOSPITAL BOARD

## priorities

### IMPROVE ACCESS

*Work hard to remove both logistic and insurance barriers, expand outreach services and reduce Emergency Room waiting time*

### BETTER INVESTMENT IN PREVENTIVE CARE

*Promote building a better school based health council to emphasize health education and prevention*

### MINIMIZE DISPARITIES IN COMMUNITY HEALTH CARE

*Ensure that disparities in immunization rates, incidence in obesity, diabetes and hypertension are minimized*

### COMMUNICATE THE HOSPITAL'S MISSION

*Prioritize open communication and enhance the image of the hospital as a patient-friendly place*

Dr. Eapen with Mother Teresa

Dr. Eapen with former President Ramos of the Philippines

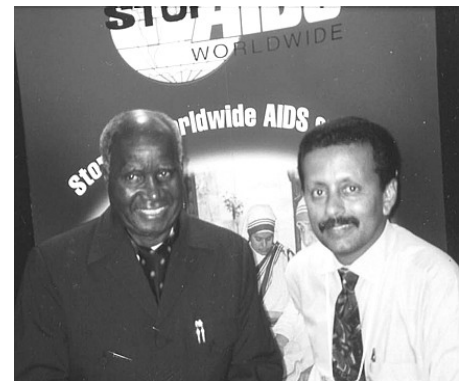

# endorsements

*“Dr. Eapen has demonstrated the clinical excellence and the administrative experience needed for this position. The community will be the winner when Dr. Eapen serves on the hospital board.”*

**Robert Weinmann, President, The Union of American Physicians and Dentists**

*“Dr. Eapen has been recognized by the Alameda County Public Health Department for his meritorious service to the community and is one of those unique people whose public health talents and commitment to public service are truly exemplary. As a practicing physician in the Tri-City community, he is very familiar with the needs and concerns of patients that utilize Washington Hospital. By bringing that needed perspective, he will make an important contribution to the Board of Directors of Washington Hospital.”*

**Dr. Anthony Iton, Alameda County Health Officer**

Dr Eapen with former President Kenneth Kaunda of Zambia
